

DAWN COE JONES 15 and UNDER LEAGUE

The DCJ League was created in 2001 to give players with Handicap Indexes of 15.0 and under the opportunity to play friendly competition at many of our wonderful Zone 6 golf venues. Dawn sponsored our Low Gross Trophy for many years, until her passing in 2016.

We play at ten to twelve different courses with reduced green fees, prioritizing courses which are hosting Club, Zone or Provincial Tournaments, or at the home club of our members. The end of year windup is a 4-Ball Partners fun day at Arrowsmith Golf Course in September, which includes a luncheon, awards ceremony and our general meeting.

We charge a \$30 membership fee to pay out end of year Low Gross and Low Net prizes plus \$1 Hole in One Insurance Pot.

In 2023, at each event we will collect \$5 each day of play (\$2 each for snips and KPs, to be paid out after play, plus \$1 for Par 3 Greens hit, paid at year end). Top 5 overall Low Gross and Low Net scores plus ties will be tracked and paid out at year end.
