

PARTNERS NET STABLEFORD DESCRIPTION

This is a **PARTNERS NET STABLEFORD COMPETITION** governed by the Golf Canada Rules of Golf effective 2019 and the 2016-2017 Decisions on the Rules of Golf (Chapter 32-b Stableford Competitions), and where applicable, by the tournament Conditions of Competition and Local Rules. A qualification round, if necessary, **must** be played on the same day, time and condition. ~~Handicap must span 8 or less between partners at the time of qualification.~~ No restriction on handicaps between partners. On your **OFFICIAL** tournament scorecard only mark the gross score of each player. The computer software will calculate the better net score from the two gross scores. If you cannot help your partner, please pick up to expedite play, and mark an X and the most likely or allowable score whichever is the lower (see Rule 3, [Rules of Handicapping in Canada](#)) on your scorecard. One player from each team must putt out on each hole. If one player fails to complete the hole, there is no penalty. The better net ball on each hole will count. In Stableford, points are awarded as follows:

More than one over fixed score = 0

One over fixed score = 1

Fixed score = 2 points

One under fixed score = 3 points

Two under fixed score = 4 points

Three under fixed score = 5 points

A second personal scorecard may be marked according to current handicap at the course being played to determine where strokes are appropriate. Using the handicap you receive at registration, you may place handicap strokes using dots on your personal scorecard to indicate where you receive your team strokes. Exchange official scorecards with your fellow competitors, but keep your own score on your personal scorecard.

Please be reminded that this game should be entered in the Golf Canada Handicap System as a tournament (T) score

Refer to Rule 32 Bogey, Par and Stableford Competitions in the Rules of Golf, for more information.

All prizes will be net.
