

Women's Amateur at Summerland Golf and Country Club

The 116th Women's Amateur took place from June 22 to June 25 and Christina Spence Proteau, winner of Zone 6 Dawn Coe Jones Amateur Senior on June 4 at Sunnydale Golf Course, represented Zone 6. Of the 25 players who made the cut out of a field of 47 Christina placed 15th overall, and ninth in the Better Ball competition with her partner Nonie Marler.

Apart from all the challenges of the golf course there was the added 'heat wave' which definitely made the four rounds of competitive golf a test worthy of the best golfers. After the final round Leah John of zone 4 was awarded the trophy.
