

Chair 's Report - Lena West

As I complete my two-year tenure in my role as Chair of the Zone 6 Women Golf, I am extremely hopeful for the excitement and optimism for the season ahead. The past year would have been extremely challenging without two extraordinary individuals showing interest in coming forward to the Vice Chair position and the Secretary position. On behalf of the Zone 6 Executive Committee, I, once again, would like to congratulate Jacque Bater, Vice Chair, and Sonya Miller, Secretary, in doing so. We thank you for your profound courage to step up in your leadership role, exactly when we needed you the most. There is no doubt that the future is getting brighter with your leadership. Thank you.

Work In Progress

1. A Zone 6 Women Policies and Procedures Manual is deemed to assist with the direction and operations of the zone with more consistency and guidance. Work continues.
2. The Zone 6 Women Constitution and By-Laws is scheduled for review in 2025.
3. A draft Zone 6 Women Succession Plan document is projected to assist with future vacancies.

Looking Ahead

It is with the dedication of the Zone 6 membership, that our future will be bright again. It is without a doubt that your Zone 6 Women Executive Committee is looking forward to more years of good golf, friendship and fun. Here's to a great season ahead!
