Course Rating — 2024 Schedule (Tentative)

☐ Seven Hills, Quadra, Winchelsea, Campbell River Golf Club, Cottonwood

### 3. COURSE RATING PROCESS

☐ Raters will measure and rate course. We do Men and Ladies ratings and measurements. Will play it and measure afterwards and make amendments to measurements and ratings.

☐ Raters to meet 2-3 weeks afterwards to compare and agree upon numbers.

☐ Numbers are submitted to BC Golf for audit. Takes about 2 months before they are submitted to the USGA.

☐ USGA inputs these numbers into their database and sends new course rating and slope rating to the club. BC Golf and Golf Canada websites are updated.

☐ Plan on at least 6 months before club gets the new ratings for scorecard revisions and scoring center.

☐ Recommend not putting course and slope rating on scorecard
