

## **T and T 's Report** - Leah Miltenberger

Zone 6 T and T would like to thank all of the host clubs and volunteers that made the tournaments run smoothly. The 2024 season saw Zone 6 host 5 events, with a total of 306 participants. We paid out a total of \$8200.00 in prizes. At each event we had a 50/50 pot of which half goes to the Junior program at the host club. 2025 is the conclusion of our 3 year contracts to hold tournaments, so we will be actively looking to schedule for the 2026 season. If any Club is interested in hosting please contact [zone6TandT@gmail.com](mailto:zone6TandT@gmail.com).

In 2023 we introduced Golf Genius for scoring keeping at our tournaments and found that it made the process much easier, as we will continue with this program.
