

TEAMS AND TOURNAMENTS REPORT

SPRING MEETING

MONDAY APRIL 1, 2019

Welcome to the 2019 season and thank you all for your participation last year.

Teams and Tournaments crew consists of Barb Borritt, Jill Green, Ann Lajoie and me, Sandi Reed. We try to make each tournament as smooth as possible from the registration process to the day of events. If you have suggestions for improvement please let us know.

We would like to draw your attention to the zone web site which will give you information on all Zone and Club events, as well as contact information for the Zone Executive and Club captains. In addition you will find links to minutes, reports, and financial statements from past meetings. Also check out the links to the new Rules in the Rules tab. If you have information for the Club Events page please let me know.

In the past we limited registration based on levies paid by each club. This year we shall accept registrations for team events – Net, Club Team Championship and Four Ball - on a first come/first served basis, with registration opening up six weeks before each tournament date. Some clubs subsidize their players to attend Zone events, so we have left clubs with the option of having a qualifying round if they wish to limit the number of players they send.

This year our first event will be the Dawn Coe Jones Amateur Senior to be held on Thursday, May 9 at Qualicum Beach Memorial Golf Course. You will have noted from the web site that this year the event will be one day. We are hoping this will encourage more players to participate. Remember that in addition to individual play each club may enter one or more teams of four players for the team net prize. In order to have a shotgun start at Qualicum we would like to see more than 42 players registered. Dar Michel is the winner of a one-day entry to the DCJ Am Senior. Last year we had just five entries for the early bird registration so we will not be having that this year.

The Champion of Champions will be held on Friday, May 24 at Glacier Greens, home of Holly Sanders our 2018 champion. In addition to registering your club's gross champion we shall invite your net champion and Pin Round, Beat the Champ and Dorothy Olive Franklin winners. You may substitute if any of these winners are not available.

The Club Team Championship is being held on Friday, June 28 at Alberni Golf Club. Teams consist of three players from the same club. Registration will be open to first come/first served as of May 17, six weeks before the tournament.

Arrowsmith will host the Net Tournament on Friday, July 12. This is open to all handicaps to a maximum of 40.4, and there is no restriction between partners. Again this year the format will be net stableford for each two-person team. Registration will be open to first come/first served as of May 31.

Our final event, the 4-ball, will be hosted by Eaglecrest Golf Club on Friday, August 9. This is a two-person team event where the handicap between partners must span eight or less at time of qualification (or registration if no qualifiers are played). Registration will be open to first come/first served as of June 28.

When making payment for these events to the Credit Union please be sure to indicate your club and the event. All entries will be acknowledged, so if you do not receive an acknowledgement please contact us.

Again this season we shall put names in a hat of all participants and draw a name to win an entry to the event of their choice in 2020. This season's winner is Carol Hastings of Alberni Golf Course.
