

ANNUAL GENERAL MEETING OCTOBER 15, 2018

I would like to welcome you all to this year's Zone 6 Annual General Meeting.

This will be the last financial statement I will be submitting as I am stepping down as treasurer to take on Rules. I thank you all for the support of the Zone and hope that our membership will increase in the future.

Captains please make a note to remind you that the Treasurer's e-mail and address will change for next season. So your levies and pin orders should be directed to the new Treasurer.

There still seems to be issues with getting levies in early in the season. It would be most helpful if this could happen. However, we do appreciate the fact that the levies are eventually submitted. Clubs are also very good about submitting levies for those members who join at a later date. So thank you all!

I have provided a statement of revenue and expenses to date. Some of the figures will obviously change after today's meeting.

I have also tried to estimate any future revenues and expenses in order to give you a better idea of our financial status. While I did not show it in my report I would imagine that we will incur some expense with the implementation of the new rules in 2019.

While the future figures are not totally accurate they do show that we will finish the year on a positive note, and that we should have a healthy balance to start the 2019 Golf season.

We started the year with a balance of \$ 10,119.93. If my figures are not totally out to lunch we should have a balance about \$ 10,785.61, to start 2019.

Respectfully submitted
Zone 6 Treasurer

Johnna Dodd
