

ZONE 6 WOMEN'S GOLF
2019 TRASURER'S SPRING REPORT

I would like to welcome all of you to the 2019 Zone 6 Spring Meeting. I am Judy Aldcroft, treasurer of Zone 6.

A copy of the proposed budget is on the monitor and if all things go as proposed we will have a surplus of \$807.00 by the end of Oct. this year.

In your club envelopes you will find a letter from me explaining this year's Levies and a form to be filled out either by your Club administration or the Ladies Club. The levy is \$7.00 for each Business Lady, Woman Members and Junior Girls who have joined your clubs. Please have the form and the funds sent to me by the due date May 1, 2019. I will be sending out a second letter and form to returned to me by August 1st for members who have joined after May 1st.

The funds help the Zone subsidize our Zone events - Amateur/Senior, Champion of Champions, CTC, Net Tournament and 4 Ball. The funds also provide funding for Zone champions to travel to BC Championships and members who wish to take higher level rules courses will have some of their expenses covered.

Teams and Tournaments receive \$2.50 per member, of these funds to offset their costs and Junior Golf receives \$2,000.00 to help run their programs.

The remainder of the funds are used for general expenses, meeting, executive travel, office supplies and bank maintenance.

We finished 2018 with a bank balance of \$10,805.53. After some expenses, we currently a bank balance of \$10,450.45. This of course will change after today. Without unforeseen large expenses we should still have a healthy balance for the remainder of 2019.

Respectfully submitted

Judy Aldcroft
Zone Treasurer
