

## **2024 Zone Council Representative's Report-** Ruth Chapman

The British Columbia Golf Constitution and Policies are still being amended and the Council have sought legal advice with respect to the amendments. It is anticipated that the document will be completed in November of this year. As yet, BC Golf has not announced the date of the fall meeting as they are still waiting for the completion of the amendments.

As the Zone 6 fall AGM is being held in advance of the BC Golf meeting, I have no update on the events that have taken place this year. Subsequent to the BC Golf meeting I will provide the Zone 6 Chair with a report of the events that are discussed at that meeting.
