- ☐ Raters to meet 2-3 weeks afterwards to compare and agree upon numbers.
- ☐ Numbers are submitted to BC Golf for audit. Takes about 2 months before they are submitted to the USGA.
- ☐ USGA inputs these numbers into their database and sends new course rating and slope rating to the club. BC Golf and Golf Canada websites are updated.
- ☐ Plan on at least 6 months before club gets the new ratings for scorecard revisions and scoring center.
